NOTESHEET

Participation cost at United Nations Climate Change Conference 30 October – 18 November 2022

The 27th Conference of the Parties to the UN Climate Change Conference will be held from 6 – 18 November 2022 at the Sharm-el-Sheikh, Egypt preceded by a week-long LDC Group and G77 + China sessional.

Based on the instruction received from the Honorable Chair, NEC, Bhutan's national delegation to the COP27 is to be led by Dasho Secretary, NECS both at the technical and high-level segment. As a national focal point to the UNFCCC, the fund support for the COP is provided by the UNCCC Secretariat that includes daily subsistence allowance and round-trip airfare in economy class. Since, Dasho Secretary is entitled to the business class, Dasho's ticket needs to be upgraded accordingly from economy class. In this regard, the HR/AFS propose to procure the ticket through spot quotation and cover the difference in the cost from climate change project.

This is submitted for kind approval,
