Declaration of Result of the national level Ozone2Climate Art Contest

On 16th September 2021, coinciding with the World Ozone Day, the National Environment Commission Secretariat launched the Asia Pacific Ozone2Climate Art Contest on the following two themes:

- 1) Achievements, actions, benefits to ozone layer protection and climate change attributed to the Vienna Convention, the Montreal Protocol including the Kigali Amendment
- 2) Theme of World Ozone Day 2021: 'Montreal Protocol - Keeping us, our food and vaccines cool.'

For the evaluation of artworks at national level, the NECS constituted a team of experienced individuals with ozone knowledge. The evaluation team conducted the evaluation of the artworks based on the set criteria. Artworks that scored a minimum of 7 points out of 10 qualified for selection of the national winners. The NECS is pleased to announce the winners of the art contest as follows:
