Subject: Notification for inclusion of activity under green category

The National Environment Commission Secretariat (NECS) is pleased to notify that salt iodization project with dry mixing processes and packaging in ready made packagings is hereafter listed under green category of projects and shall be exempted from requiring Environmental Clearance. However, the applicant(s) must fulfill and obtain approvals/clearances/development consent from concerned agencies as required under relevant existing legislations.

This is issued in line with the decision of the 74th Environment Assessment and Technical Committee meeting held on September 22, 2021 which is made based on the authority delegated to the NECS by the 42nd National Environment Commission meeting to exempt activity with low risk on the environment from the Environmental Assessment process.

Should you have any enquiries, kindly consult the Environment Assessment and Compliance Division, NECS at 02-331160.

Sincerely,

(Phento Tshering)
